**pH:** 11.0

**Product Code:**  
**GL-UOBL-8LB**

**Available Sizes:**  
8 lb bucket

**Dilution:**  
Ready-to-Use

UltraOxi-Brite is a powdered, biodegradable laundry detergent suitable for commercial or domestic use. UltraOxi-Brite is a heavy-duty laundry detergent. It is chemically balanced so that it not only gives you a superior wash on normal family clothes, permanent press and fine fabrics, but also is gentle on your hands and fabrics. It will not corrode the cast parts of your machine. UltraOxi-Brite is phosphate-free.

UltraOxi-Brite rinses out of the machine, leaving no harmful residue or scum. All active ingredients are biodegradable and leave no foam to accumulate in our natural water sources.

Super concentrated laundry powder detergent (3 times stronger than normal laundry detergent).

Low suds.

No need for pre-spotting.

Soluble at any temperature (saves on hot water costs).

No harmful residue or scum in washing machines.

#### **DIRECTIONS:**

##### *Top-Loading Automatics (15lb. washers)*

Use only 2 ounces per load.

If suds saver is used, add 1 ounce to subsequent loads.

##### *Front-Loading & Combination Washer-Dryers*

Use enough to bring suds about ¼ up the window.

Add 1 ounce to subsequent loads.

For heavily soiled loads, use more.

##### *Large Washers*

30 lb. washer – Use 3oz. Add more for heavily soiled loads

50 lb. washer – Use 5 oz. Add more for heavily soiled load

#### **CAUTION:**

Avoid eye and skin contact.

Do not take internally.

Keep out of reach of children.
